Margaret Chase Smith Public Affairs Scholarship

STATEMENT OF PURPOSE: The Margaret Chase Smith Public Affairs Scholarship was established in 1991 in the University of Maine Foundation with gifts from Harold Alfond to the Margaret Chase Smith Foundation in Skowhegan, Maine. The scholarship was established on the occasion of the 50th anniversary of Senator Smith's election to the U.S. House of Representatives and in recognition of her many years of dedicated public service to the citizens of Maine and to the nation from 1940 to 1973. Senator Smith's abiding belief was that real progress will be attained only through the education of Maine's young people.

OBLIGATIONS: The successful applicant must agree to be involved in a meaningful public affairs project during each scholarship year, which may include some research at the Margaret Chase Smith Library in Skowhegan. Scholarship winners work with faculty advisors and staff of the Margaret Chase Smith Policy Center in the conduct of research. The student and Center staff develop a dissemination plan that includes presentation at the UMaine Student Symposium.

ELIGIBILITY REQUIREMENTS: To be eligible, students must meet the following criteria:

- Be a resident of Maine, enrolled at UMaine;
- Be an undergraduate student with a GPA of 3.0 or higher;
- Be registered at the University of Maine for 12 credits or more; and
- Have completed 40 credit hours prior to the semester in which the student is applying.

INFORMATION FOR APPLICANTS: The amount of the scholarship will be \$3,500 per year. All applicants will be notified of the committee's decision by early May. Selection is limited to students who show promise for future leadership in and contribution to public affairs. Applications will be evaluated according to:

- The relevance and significance of the proposed research topic to U.S./Maine public policy;
- The quality of written work expressed through the application essay.

SCHOLARSHIP RENEWAL: The scholarship may be renewed for up to three years, provided the recipient meets the following requirements:

- Submits their completed project by April 6;
- Continues to make satisfactory progress in his/her academic program;
- Continues to meet the criteria for the award; and
- Applies to renew the scholarship by submitting a satisfactory proposal for next year's project.
